■ YOU ARE INVITED

There are also tandem, recumbent, high wheel, tricycle, unicycle, and handcycle categories.

■ HOW TO ENTER

Registration will begin Saturday evening, Oct. 1, at Big Sky Bikes at 1110 South Ave. West in Missoula, from 5-6:00 p.m. Riders (especially slower riders) are encouraged to register during this early registration period.

Registration on the morning of the climb will take place from 7:30-9:00 a.m. at Big Sky Bikes.

Each rider will be assigned a number and a starting time at registration and need not

appear at the start until the appointed time. The event is limited to 100 entrants. NonMOBI members must pay a \$3.00 entry fee. MOBI members need only pay \$1.00 fee, and are asked to bring proof of membership in the form of a newsletter mailing label. All riders must wear a helmet. The climb will take place rain or shine. A complete result sheet will be mailed to all participants.

■ BRING A PRIZE

A prize for every rider is a Hill Climb tradition, therefore, we ask each participant to bring a prize for another rider. Use your imagination - anything goes! Here are just a few examples from past years: homemade bread or cookies, dental floss, used golf balls, carpentry work, books, bicycle parts, frozen dog meat, fishing flies, and smorkles. The prizes are distributed randomly, so bring something nice - you might win it! Bring your prize donation to registration. Remember you need not be a hill climber to donate a prize.

■ THANK YOU

A special thanks to Big Sky Bikes for the use of their shop for registration.

Willy Zellmer, 2010 winner.
